## I. General Information

**Eligibility:** All competitors must be either: 1) a member in good standing of a club having membership in U.S. Figure Skating; 2) an individual member of U.S. Figure Skating; 3) a member of a national figure skating association that is a member of the ISU. Entries from members of clubs with a probationary status will be accepted provided the entry is accompanied by a signed certification by the skater that he or she is properly qualified to participate in the event(s) entered. Skaters may compete in as many disciplines as qualified by test level and age, but may compete in only one event per discipline; competitors may enter both team and solo dance events. Age and test qualifications as of July 22, 2014 (close of entries), will determine classification.

All skaters must compete at the level of their highest passed freestyle test, or one level higher. Pairs and Dance competitors must meet the requirements listed in that section of this announcement.
