## I. General Information

**Eligibility:** This Competition is open to all qualified eligible skaters who are members in good standing of U.S. Figure Skating or the ISU, and will be governed by the rules of U.S. Figure Skating as specified in the 2010-2011 Rule Book. Also, the No Test events may be entered by skaters in the Basic Skills program of U.S. Figure Skating.

The purpose of this non-qualifying competition is to provide a practical competitive experience in freestyle skating. With this object in mind, Junior and Senior events will **NOT** be subdivided.

**All skaters must compete at the level of their highest passed freestyle test, or one level higher.**

Age and test qualifications as of July 10, 2010 (close of entries) will determine classification.

**Entries:** Entries must be postmarked no later than July 10, 2010. Late entries will be accepted at the discretion of the Competition Committee and will require a late fee of \$30.00.

The Georgia Figure Skating Club reserves the right to divide or combine any event if necessary and to cancel any events (with full refund of entry fee). Any other refunds will be made **only** with a physician's note and at the discretion of the Georgia Figure Skating Club. Competition cancellations due to acts of God will not be refunded.

**Registration Desk:** Will be open at the rink during the scheduled events. Skaters are required to check the official bulletin board at the rink for the scheduled events. The posting of such notices, changes or announcements shall be considered sufficient notice to competitors.

**Schedule:** A final schedule will be available at the registration desk. **A schedule will be posted on the GaFSC web site at: [www.gafsc.org/peachopen/](http://www.gafsc.org/peachopen/) no later than two weeks before the event.**

**Final Rounds:** Final rounds will be held in Novice, Intermediate and Juvenile Free Skating singles, providing there are enough entries to subdivide the class in accordance with Rule 3276. In Novice and Intermediate, the initial round will consist of both short and long programs. The final rounds will be in accordance with Rule 3276.

**Judging System:** The ISU judging system (IJS) will be used for Juvenile through Senior Freeskate and Short Program events. A Planned Program Content form must be submitted for all events being judged under the IJS system.

The 6.0 judging system will be used for all other events.

**Rink:** All events will be held at the **Atlanta IceForum**, 2300 Satellite Boulevard, Duluth, GA, 30097 770-813-1010 <http://www.iceforum.com>

The rink is a climate-controlled facility with a double ice surface, each measuring 200' by 85' with rounded corners and a hockey barrier.

**Music:** **CDs are the only acceptable forms of media.** Cassettes will NOT be accepted. CDs must be clearly marked with name, event entered and the music length. Each CD must have only ONE (1) track on it. Any disc with more than one (1) track will NOT be accepted! Each CD must be in a standard hard sided "jewel case" or CD sleeve. **Due to compatibility and reliability reasons, music MAY NOT be submitted on re-recordable "CD-RW" discs.**

**All CDs must be turned in to the registration desk at least two (2) hours prior to the event.** We recommend that all skaters bring a **backup CD** for each event entered. All competitors' music may be picked up at the registration desk after each event.
